

## USC Academic Bible Study – Peter and Paul

**11/13: Peter** (Acts 10)

**11/21: Paul in Jerusalem** (Acts 15)

**11/27: Paul's epistles** (Galatians 2-3)

**12/4: Peter (and co)'s epistles** (2 Pet. 1, James 2)

Some discussion questions:

1. What can we tell about Peter's character from this story?
2. What does this passage tell us about the structure of the early church?
3. What about Gentiles? What does this story tell us about their position in the early church?

Could Cornelius have been a Christian?

4. How does this story relate to other calling/conversion stories?
