

# Ribbon Bookmarks

## Materials

- ribbons, cut to 2'' longer than the book you want to use
- cardstock sleeve to slip down book spine
- glue

1. Decide how many ribbon bookmarks you want for your book - cut the ribbons to be 2'' longer than the book
2. Cut a rectangle of cardstock (dotted line)
3. glue the ends of the ribbons to the short end of the cardstock rectangle
4. Fold the cardstock in half lengthwise (solid line), glue together with the ribbons on the inside,
5. Once glue is dry, slip the cardstock down the book spine and use the bookmarks!
